

The Royal-tea Club presents our second

British Isles Cruise

August 5 - 17, 2019

Join us as we travel to London where we begin our nautical adventure on Princess Cruises 'Crown Princess.' We will visit nine ports of call.

- Guernsey, British Channel Islands, England
- Cork, Ireland
- Dublin, Ireland
- Belfast, Northern Island
- Glasgow, Scotland
- Kirkwall, Orkney Islands, Scotland
- Inverness, Scotland
- Edinburgh, Scotland
- Le Havre, France

The cost for a Balcony cabin is \$3299* plus \$210 taxes, fees, and port expenses per person, double occupancy if you've previously cruised with Princess. (*If new with Princess, the price is \$3499.) Other cabin categories may be selected at different prices. Obtain more information at time of booking.

EXTRA! EXTRA! - Reserve by September 5th and you will receive Princess' Sip

and Sail promotion for the first two people in your cabin. This is a free premier beverage package valued at \$827.88. If additional people in your cabin, they will receive a free Unlimited Soda and More package. There will also be on-board credits per cabin based on the size of our group.

Air is not yet arranged. You will be contacted later once you have made a reservation.

You may choose to arrive in London the day before embarkation to avoid any traveling glitches. If you would like to do this, please contact Sharon. She will see about a block of hotel rooms for the group as well as transfers to the ship once she knows how many are interested.

If arriving the day of embarkation, air and transfers should be booked through Princess or own your own.

Travel insurance is optional, but strongly recommended. The cost is 8% of your trip amount.
