Holiday Lights & Tea

Wednesday, December 19, 2018

We begin our day with a visit to Brookside Gardens. Step inside the toasty warm Conservatory where you will see the holiday display of G-Scale model trains wind through a festive landscape. Stroll through the conservatory enjoying the lovely flowers as you take in the sights and sounds of the Christmas season.

We arrive at Normandie Farms in Potomac, MD where the group will enjoy a lovely tea buffet. Our tea begins with a fresh from the oven popover with butter, jam and tea. The buffet includes tea sandwiches, canapes, fresh fruit, French pastries, and individual ramikins of baked desserts. A chocolate fondue will be available with an assortment of dipping items, including fresh strawberries.

Following the tea we will make our way to Seneca Creek State Park in Gaithersburg for their Winter Lights Festival. Winter Lights features more than 380 illuminated displays and 65 animated vignettes in a 3.5 mile drive through the park.
